

# Friendly Center Silent Auction and Raffle Packet

# A Letter From Our CEO

## A Message From Kenia Cueto, Ph.D.

Dear Friend,

For more than 102 years, Friendly Center has been a place of hope for children and families facing poverty in Orange County. We exist for one reason: to help families move from crisis to stability, and from stability to opportunity.

Through our **Food & Basic Needs** programs, families have access to nutritious food and essential resources in a dignified, welcoming environment, primarily through our client-choice Friendly Mart, where they can select the groceries and household items that best meet their needs. Through **Family Services**, we provide counseling, emergency assistance, and critical support during times of crisis. Through **Education & Workforce Development**, we equip children, teens, and parents with the tools they need to build brighter, more secure futures.

Simply put, we believe in **Full Shelves. Full Hearts.**

**Full Shelves** so families don't have to worry about their next meal.

**Full Hearts** so they have the support, skills, and encouragement to thrive.

We are reaching out because we would love your partnership.

Our upcoming **Full Fairways, Full Hearts Golf Tournament on July 13th**, along with our **Havana Nights Gala and Silent Auction on October 2nd**, bring together community leaders, local businesses, and generous supporters who believe in strengthening families. These signature events raise critical funds that directly support our food distribution, family stabilization services, and education and workforce programs.

We are currently seeking raffle and silent auction donations of items or services for both events. Your contribution not only helps us raise essential funding but also demonstrates your commitment to standing alongside families in our community during challenging times.

Friendly Center is a 501(c)(3) nonprofit organization (Tax ID: 95-2479833), and all donations are tax-deductible. Donors are gratefully recognized in event materials and during the auction as valued community partners.

Together, we can ensure full shelves and full hearts across Orange County — today and for generations to come

With gratitude,
